discover. experience. belong.

## Welcome to REP's 2025 Season

We are excited to share our new collection of plays with you. Introducing extraordinary stories, and sometimes-outrageous characters, that will entertain, amuse, intrigue, and thrill our beautiful Canberra community. In our 93<sup>rd</sup> year, we present plays by playwrights from Australia, the UK, the USA, Canada, and Italy, and continue to offer opportunities for both experienced and emerging directors. We hope we have found something for you.

To give you a broader picture of our year and what is happening at REP, we have included information about our Studio activities for example our short-play competition The 'Logues, workshops, and social events such as

our annual Quiz Night, as well as information about our outside hires and guests. Please subscribe, come and see a show, become a member or support REP through a tax deductible donation\*, so we can continue to bring new, old and re-imagined stories to you and keep our lights shining brightly - we hope to see you at REP!

We acknowledge the Traditional Custodians of the land on which we work, play and create, the Ngunnawal People, they were the first artists and storytellers on this land. We recognise their continuing connection to the land and waters, and thank them for protecting this country since time immemorial. We pay our respects to Elders past, present, and emerging.
